

Directions to MNFP *(due to Red Line)*

The Red Line makes it difficult to turn into the Mid-North Food Pantry from the west side of Meridian Street (or if you are coming from the north, down Meridian Street).

From the north, we suggest taking:

- Pennsylvania Street south to 33rd Street
- Right on to 33rd Street (split street, median in middle)
- Turn right into St. Richard's parking lot (before Meridian Street)
- drive through the parking lot to the Trinity Outreach Building
- Park in the adjacent parking lot

Mid-North Food Pantry is in the basement of the Trinity Outreach Building.

Shoppers enter from Meridian Street (the west side of the building), take the elevator or stairs to the basement.

Volunteers enter from the back (the east side of the building), take the stairs to the basement.
